

# Introduction to Transport Planning, Traffic Management and Road Safety

## Course Overview

This two-day course offers a useful introduction to the work that goes on in a Transportation Department and the policy background for people new to this area.

## Aims and Objectives

The aim of the course is to help professionals understand the policies, concepts and procedures for transport planning, traffic management and road safety work. The course will help clarify some of the legal issues associated with these work areas and help to reduce potential liabilities.

## Topics Covered

The two-day course focuses on the following key areas:

### Transport Planning

- Powers and Duties
- UK Transport Policy
- Role of Government. Highways England, Local Authorities, and the Police
- Sources of Information
- Traffic Growth and Environmental Impacts
- Sustainable Transport
- Case Study - West Midlands Strategic Transport Plan

### Traffic Management and Road Safety

- Introduction to Traffic Management
- Traffic Surveys
- Traffic Regulation Orders
- Parking Management
- Civil Parking Enforcement
- Road Safety - Reported Road Casualties Great Britain
- Local Road Safety Plans
